Life in Dog River is about to get a lot more animated! Following a trailblazing six-season run and a blockbuster 2014 movie, The Comedy Network announced it has greenlit an all-new animated version of the acclaimed, smash-hit comedy franchise CORNER GAS from 335 Productions and Vérité Films. The 13-episode, half-hour series for The Comedy Network's 2017-2018 broadcast season is the latest original 4K production from Bell Media. Re-imagined by CORNER GAS creator and star Brent Butt, who released a sneak peek of his animated-character, the all-new animated CORNER GAS delivers its revered brand of comedy, but this time in an animated Dog River where anything is possible.

The new series comes from CORNER GAS executive producers Brent Butt and David Storey from Prairie Pantoons (335 Productions), and Virginia Thompson from Moving Mountoons (Vérité Films), in association with The Comedy Network. Animation will be produced by Prairie Pantoons, Moving Mountoons and Smiley Guy Studios.

The series begins pre-production in January 2017 in Vancouver and Toronto, with the main cast confirmed to return. Producers also confirmed that beloved character Emma will live on in the animated world with the blessing of the late Janet Wright's family.

Brent (Brent Butt), Lacey (Gabrielle Miller), Oscar (Eric Peterson), Hank (Fred Ewanuick), Davis (Lorne Cardinal), Karen (Tara Spencer-Nairn), and Wanda (Nancy Robertson) are all getting a cartoon makeover as the main cast returns to Dog River for CORNER GAS. Casting for the voice of Emma is currently underway.

CORNER GAS brings together Butt's comedy style and love for comic books. Before pursuing his passion as a stand-up comedian, Butt and a friend started a publishing company "" Windwolf Graphics.

His first comic, 'Existing Earth', was nominated for a Golden Eagle Award. Windwolf Graphics published two issues before Butt hit the stand-up circuit full time. Butt's passion for comics lived on through his work, a common theme in the CORNER GAS franchise. Bringing CORNER GAS in to the animated world allows Butt's comedy to be as limitless as his imagination. All 107 episodes of the six-season original series, as well as the 90-minute movie, are available now on CraveTV.

During its entire six-season run, CORNER GAS was the #1 Canadian sitcom in Canada, maintaining an impressive average audience of 1.4 million viewers over its 107-episode run. The series finale made television history when a record-breaking 3.02 million viewers tuned into the series finale on April 13, 2009. It was a new audience high for CORNER GAS and is still the largest audience on record for a Canadian scripted television series.
