For this second edition, the Art meeting of displacement happening at European level and expanding its space journey to multiply obstacles. The best tracers competed in two disciplines: speedrunning which gives pride to the speed and freestyle technique and that leaves room for aesthetics and originality.

In a lively DJ Harvey Marshal and dance performances atmosphere, the jury was again this year, chaired by Malik Diouf, member of the Yamakasi and co-founder of the Art of displacement.

the organizers

Malik Diouf

Co -founder of the Art of movement and member of the Yamakasi , Malik began this discipline in the late 80s. Aware of the risks , he participated in the development of the discipline by participating in the establishment of management structures and education practice of this art.

In 2001, he took part in the film project Yamakasi Luc Besson who offer him a real spotlight. Subsequently, he developed the Gravity brand and incorporates the Cascade campus to train talent.
